[Covid 19 – Safety During Travelling]

CoronaTravel

Problematic Pandemic Situation

- The regulations in each country change rapidly

- Searching for useful information is quite hard, every government website structures it differently and often lack of translations

- If you want to find one place which gathers general information for each country – good luck: you most probably will end upon statistics of new cases rather than government regulations

Solution – our CoronaTravel

PRESENTING GOVERNMENT REGULATIONS IN ONE PLACE

INFORMS YOU WHEN REGULATIONS CHANGES

GUIDES YOU WHILE TRAVELLING TO OTHER COUNTRIES

The application supports 5 languages

ALL RULES AND RESTRICTIONS CAN BE
EASILY TRANSLATED INTO ONE OF THE
FOLLOWING FIVE LANGUAGES:

- Polish
- Slovak
- Czech
- Hungarian
- English

Key information about your area
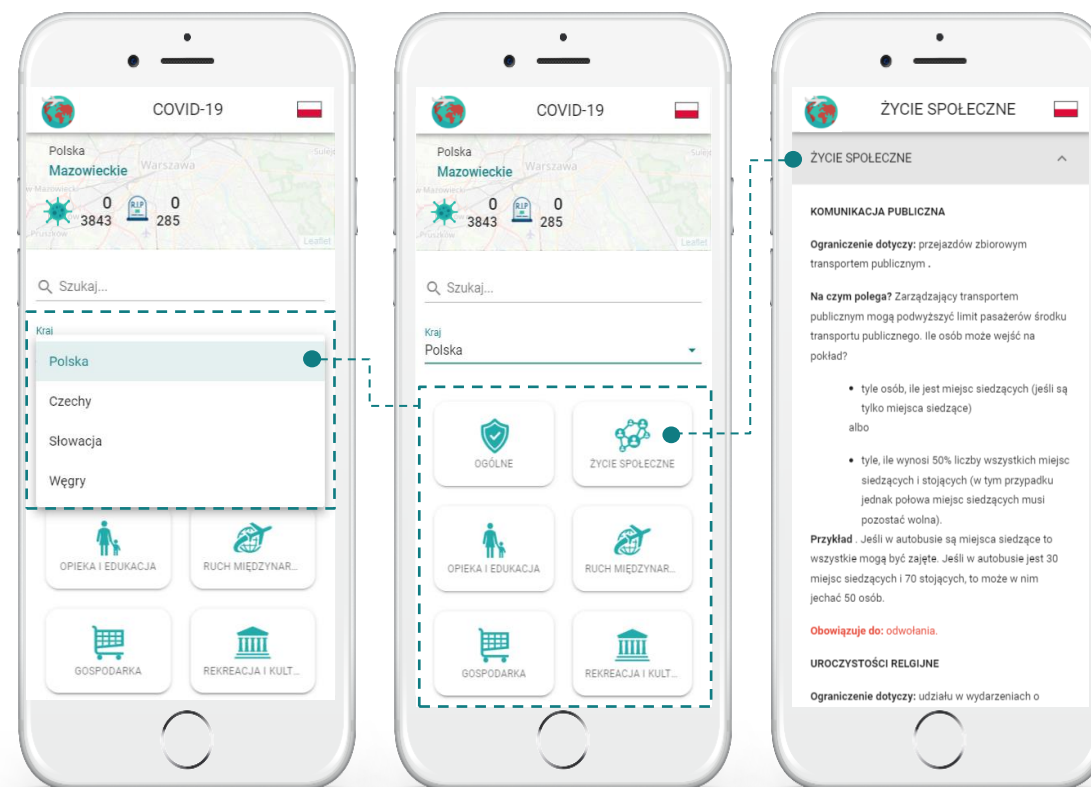

THE APPLICATION PRESENTS:

- your approximate location

- the total number of cases and deaths in your region

- the number of all **new** cases and deaths in your region

- chart visualizing confirmed cases over time

Structured current government measurements

DATABASE OF CURRENT INFORMATION
REGARDING THE PANDEMIC SITUATION

- Contains data for: Poland, Slovakia, the Czech Republic and Hungary.

- All important information have been divided into six categories which allows you to quickly find what you are looking for.

Useful phrase search
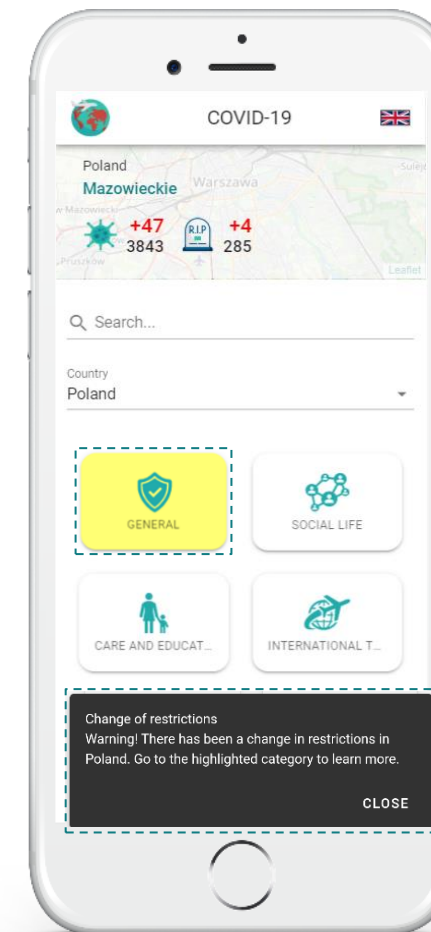

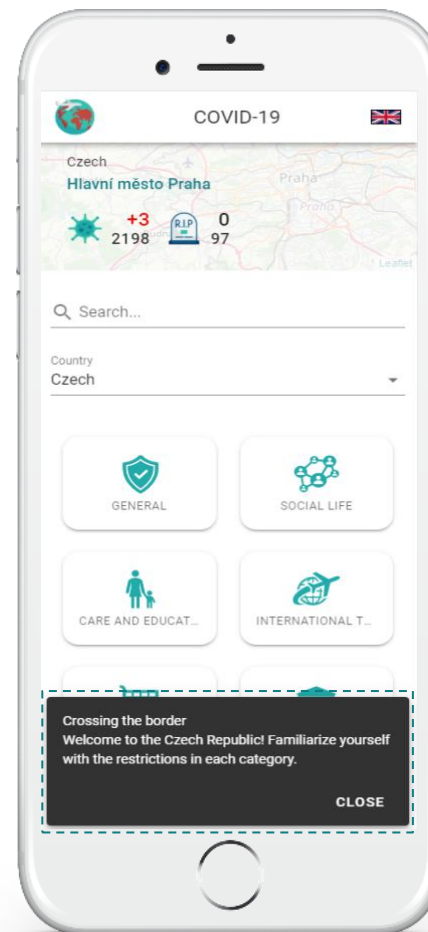

SEARCH FOR PHRASES IN ALL MEASUREMENTS

- the application will display a list of sections in which the search phrase appears

- the results will be highlighted in yellow

Notifications

IN-APP AND PUSH NOTIFICATIONS

- alerts about local COVID-19 restrictions after crossing the border

- notifications when COVID-19 restrictions changes in your location - affected categories are also highlighted in yellow
